

CORPORACIÓN FINANCIERA ALBA, S.A.
ACCESSIBILITY

The Company will facilitate accessibility for people with disabilities and senior people to ensure their rights of prior access to the General Shareholders' Meeting documentation and the exercise of their voting rights. The venue of the meeting will be equipped with measures to facilitate access and monitoring of the meeting, and the exercise of voting, to people with special needs.

In addition, the possibility of remote electronic attendance to the General Meeting has been made available to shareholders, in the terms foreseen in the call for the General Meeting. The aim of this measure is to guarantee the access to General Meeting and comply with health recommendations for health prevention. The Company will also facilitate accessibility for people with disabilities and senior people to ensure their rights of prior access to the General Shareholders' Meeting documentation, remote electronic attendance to the General Meeting and the exercise of their voting rights.

For further information or specific needs, please contact with the Company at the following address: juntageneralalba@corporacionalba.es.
